TESTIMONIALS

I cannot recommend Soulversity enough. I completed the 200 hour meditation TT in Rishikesh and stayed on for the following 100 hour spiritual coaching in Goa - completing 300 hours overall. Dev OM has so much knowledge that he shares with you throughout the training and is there to support you even after it's finished. I was a bit unsure at first about going but my intuition told me to just follow my gut feeling to go and I'm so glad I did, I've met my incredible soul family, I had the best 4 weeks ever in India, I have a better understanding about meditation and the way I want to teach in the world:)

Izzy Martucci (UK)

I recently completed 100 hour, 200 hour and 300 hour meditation teacher training with Dev Om and Soulversity. If I could give 6 stars, I would. Dev has created a wonderful meditative and self-inquiry experience, based upon the deepest non-dual truth, and practical truths that are applicable to every day life. It will change the life of anyone who participates in it. Dev is an extremely kind and uplifting teacher, highly honest and really cares about his students.
